Extra Thick Kraft Paper Aluminium Stand Up Pouch with Zip Lock

SKU: DPAPAL

Capacity/Size: 100ml, 250ml, 500ml, 750ml, 1000 ml, 3000 ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 15.99 per 100 Units

Categories: [Foil & Mylar Stand-up pouches](#)
[Kraft Paper Stand Up Pouches](#)
[High Barrier Stand Up Pouches](#)
[Coffee Bags, Tea Packaging](#)

This pouch is made from a unique combination of aluminium and kraft paper. By making the entire bag extra thick we were able to create a strong and durable protection for the items inside while maintaining the ease of storage. Additionally, the kraft paper used outside gives the bag a very vintage and homemade look. The pouch is closed from the top with a zip lock, which helps to keep the product fresh and preserve its high quality.

White Matt Stand Up Pouch with Zip Lock

SKU: DWH

Capacity/Size: 250ml, 500ml, 750ml, 1000 ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 16.99 per 100 Units

Categories: [Foil & Mylar Stand-up pouches](#)
[High Barrier Stand Up Pouches](#)
[Coffee Bags, Tea Packaging](#)

Visibility is one of the most important characteristics sought for in packaging. This pouch is able to stand straight all by itself, which makes it eye-catching and easy to spot without sacrificing the ease of storage. The bag itself is completely white, which is perfect for advertising and inscriptions. Matt metallic inside is perfectly suited to contain various food items while still being a stylish choice. Closed with a zip lock, this bag ensures a long-lasting freshness of your product.

Black Matt Stand Up Pouch with Zip Lock

SKU: DBLK

Capacity/Size: 250ml, 500ml, 750ml, 1000ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 16.99 per 100 Units

Biodegradable Packaging
Tea Packaging

Your care for environment – and we know it. That is why we designed this amazing, fully biodegradable, food grade pouch. This entire packaging, including zip lock, is fully compostable in just 10 weeks. And yet we did not sacrifice the practicality and utility. High quality materials used here ensures a strong barrier against humidity and foreign smells, while resealable zip lock helps to keep the product fresh for longer. The bag is also transparent, making it stand out even more on the shelf.

Translucent Fully Biodegradable Stand Up with Zip Lock

SKU: DBIOFR

Capacity/Size: 250ml, 500ml, 750ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 26.99 per 100 Units

Categories: **Clear, translucent & window**
stand up pouches
Biodegradable Packaging

We believe that organic products require special packaging. This translucent, stand up pouch is eye-catching and perfect to present your product on the shelf, as the customer can instantly check the quality of your product inside the bag. Freshness of your product is secured by a heat seal on the top and a resealable zip lock on the top, creating a good barrier against external factors. But the most important trait of this bag is full biodegradability – it completely decomposes in just 10 weeks, including the zip lock.

Beige Aluminium Stand Up Pouch with Zip Lock Natural Look Large

SKU: DJMTN

Capacity/Size: 2000ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 39.99 per 100 Units

Categories: **Foil & Mylar Stand-up pouches**
High Barrier Stand Up Pouches

This pouch, created from combination of aluminum and polyethylene, is extremely durable and great at protecting your merchandise from external factors, such as oxygen, humidity or sunlight. It has a protective zip lock on top, making it easy to open and close multiple times to keep your products fresh. It's very important in this case, because of the large size - this pouch has a capacity of 2000 ml, making it great to store large quantities of items. Despite the size this pouch is designed in a way to make it stand up straight, for easier storage and promotion on the store shelves.

Black Matt Aluminium Side Gusset Pouch

SKU: BOTBLK

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 22.99 per 100 Units

Categories: [Side Gusset Stand Up Bags](#)
[Coffee Bags, Tea Packaging](#)

We know that the first impression is important. That's why we created this matt black pouch, designed to be eye-catching and stylish. Made from polyethylene and aluminum, this bag is very durable and resistant, perfect for prolonged storage of your items. Side gusset ensures that the bag will not fold down or crumple, and bottom seal helps to stabilize the whole construction. These bags are available in three different sizes, so pick one that best matches your product and store it in this stylish, black pouch!

Super Size Aluminium Mylar Side Gusset Bag 10000 ml

SKU: SMAX

Capacity/Size: 10000ml

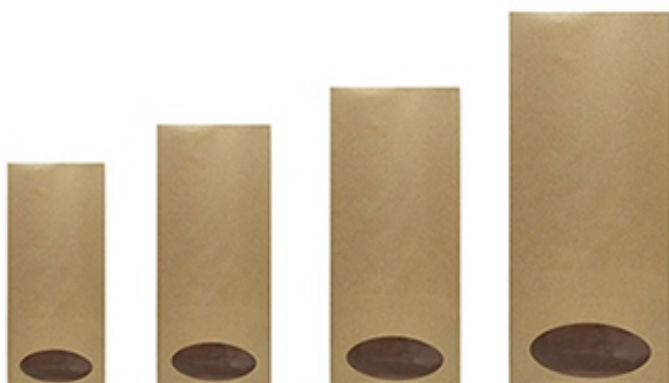

Quantity: 25, 50

Price: Smallest size from £ 159.99 per 100 Units

Categories: [Side Gusset Stand Up Bags](#)
[Tea Packaging](#)

Some products require a large enough container. This pouch has a massive 10000 ml capacity, allowing you to store plenty of your delicacies inside. It is made out of Mylar – a very durable and resilient polymer. We additionally reinforced the construction with the side gussets, so the entire pouch is very easy to store and transport while staying extremely sturdy and securing its contents. Freshness of your product will be additionally guaranteed by the heat seal on the top of the packaging.

Oval Window Kraft Paper Side Gusset Bag

SKU: SPAPWOV

Categories: **Clear, translucent & window**
stand up pouches, Kraft Paper
Stand Up Pouches, Tea Packaging

Stand up pouches are amazing at promoting and showing off your products. We designed this one with natural and homemade style in mind. Kraft paper gives it a lovely, warm look, which is perfect for homemade delicacies or rustic goods. We've included a tear notch at the top, in order to not only ensure you that no one had opened the bag before, but also to make opening the pouch a simple and easy task. A fancy, oval window at the bottom is great to peek at the contents inside and judge the quality, as well as the amount, of the product inside!

Black Aluminium Foil Matt Stand Up Pouch with Zip Lock

SKU: DBLKTN

Capacity/Size: 250ml, 500ml, 750ml, 2000ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 16.99 per 100 Units

Categories: **Foil & Mylar Stand-up pouches**
High Barrier Stand Up Pouches
Coffee Bags, Tea Packaging

We designed this stand-up pouch in order to create a durable and strong packaging, but we also wanted to make it eye-catching. This uniform, fully black pouch does so with the addition of a bottom gusset. This simple part makes the whole pouch easier to open and store, but also stand out on the shelf due to the upright position. Thanks to the zip lock on the top, you are able to open and close the pouch, which helps to preserve the freshness of your product.

Kraft Paper Window Stand Up Sealable Pouch with Zip Lock

SKU: DPAPNW

Capacity/Size: 100ml, 250ml, 500ml, 750ml, 1000ml,
2000ml, 3000ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 14.99 per 100 Units

Categories: **Clear, translucent & window**
stand up pouches, Kraft Paper
Stand Up Pouches, Tea Packaging

This pouch is created from combination of Kraft paper, PET and CPP, so the natural look is perfect for homemade, traditional or organic products. It is also extremely durable despite its rustic look, and a zip lock on the top ensures freshness and protection of your product from humidity, oxygenation or foreign smells. We also added a transparent window on the front, which makes the pouch stand out much more – which is even better, due to the construction making the pouch stand upright. 100 ml and 250 ml bags have a rounded hanger slot on top.

White Kraft Paper Window Stand Up Sealable Pouch with Zip Lock

SKU: DPAPWW

Capacity/Size: 250ml, 500ml, 750ml, 2000ml

Quantity: 25, 50, 100, 500, 1000, 2000, 5000

Price: Smallest size from £ 16.99 per 100 Units

Categories: **Clear, translucent & window**
stand up pouches, Kraft Paper
Stand Up Pouches, Tea Packaging

Sometimes the product should speak for itself. This pouch is made from a combination of paper, PET and CPP, and is designed to make your product be the center of attention. Fully transparent window in the middle blends great with semi-translucent white packaging and makes people notice and judge the quality of the item inside. It's not all aesthetics though – we have added a zip-lock on top, making the entire stand-up pouch sealable. It helps protecting the freshness and quality of the contents, without complicating the beautiful design. 250 ml and 500 ml bags have a rounded hanger slot on top.

Foil & Mylar Stand-up pouches
Stand Up Pouches

This pouch is a breathtaking combination of outstanding utility and beautiful aesthetics. Mylar foil, used for one of the sides of this pouch, gives it incredible mechanical strength and durability, making this a very resilient form of protecting your items. Front of this pouch is transparent – a perfect option if you want to present your product and let the customer judge its quality. On top of that, zip lock, located on the top, protects your merchandise from losing freshness or oxygenating, while making it easy to use and store! 100 ml, 250 ml and 500 ml bags have a rounded hanger slot on top.

Gold One Side Transparent Stand Up Pouch with Zip Lock
